

My Weekend

Last weekend, I went to buy uniform in Prince Edward with my family. Unluckily the store was closed, so we went to the Flower Market instead.

At the Flower Market, I saw some cactuses and roses, then I decided to buy a carnivorous plant and a pot of asparagus plant. Then I bought some seeds, a pot of asparagus plant. Then I bought some seeds, a pot of fertilizer and some gardening tools. I also saw some other things, such as some Christmas trees.

The most impressive things I saw was an eco-fish tank. Eco fish tanks are tanks which you can keep fish and grow plants together. When I went home I felt very happy tired.

Presentation on a family member's free time activity

Good morning everyone! Today I am going to tell you something about what my dad likes doing in his free time.

My dad likes to go hiking during his free time. He usually goes to Aberdeen Country Park alone to enjoy the beautiful scene. He walks up the Aberdeen Reservoir Road. He told me that he saw some wild boars there. He has a fishing license so that he can go fishing in the reservoir.

That's the end of my presentation. Thank you!

Presentation on a family member's free time activity

Good morning everyone. My name is Keeley. Today, I'm going to talk about my family members' free time activities.

My dad likes using the computer. He is good at using it. He always teaches me how to use it. He also likes reading books. He can read books so fast that he can read a thick book with lots of small characters in a few days! I think he is a fantastic reader.

My mum works very hard at work. She likes to sleep in her free time. Sometimes, she likes playing or chatting with me. I loved her very much.

My little brother is very clever. He likes to read books and work out Mathematics problems. He is already very good at Mathematics. My brother also likes reading comics. He thinks they are fun. He also likes playing card games. His favourite game is UNO. He plays it with me and my dad.

It is the end of my sharing. I hope you liked it. Thank you.

The Fifty Dollars

There was once a greedy girl called Lucy. One day, she went to a toy shop. She saw a pretty doll that cost 50 dollars. Lucy liked the doll very much so she took out her pink purse and looked for the money. Sadly, her purse was empty!

She crossed the street and she found a 50-dollar note. Lucy thought, "What luck! I can use this 50-dollar note to buy the doll." But then, she saw a boy pointing at the spot where she had found the money. He said to his mother, "Mum, I dropped my money here! Now, it is gone!" Seeing the boy's worrying face, Lucy said, "Excuse me. Is this your money?" The boy said excitedly, "Yes, it is!"

After that day, Lucy was not greedy anymore. She became more generous.

An Honest Day

One afternoon, Karen went to a toy shop to buy a present for her friend's birthday party! Soon she found a doll that had a sparkling skirt. It cost fifty dollars. Karen opened her purse. It was empty! 'Oh! No! What should I do now?' She asked.

Karen walked slowly back home, thinking that she shouldn't go to the party because she wouldn't have a present to give. Just when it seemed that all hope was lost, something caught Karen's eyes. She looked beside her. It was a fifty-dollar note! She quickly picked it up. She was about to run back to the toy shop when a boy came running back. He looked very worried, 'Where is my fifty dollars, Mum?'

Karen thought for a while and said, 'I've got it! I found it on the floor!' 'Oh! Thank you! And thank you for your honesty! Here is a bag of candies,' the boy said. 'Thank you!' Karen said, 'Now I have something to give to my friend!'
