

My Dream Building

This is my dream building. It is called Bella's Centre. There are five floors.

The makeup store and the toy store are on the ground floor. We can buy makeup in the makeup store. And we can buy toys in the toy store. The jewelry store is on the first floor. We can buy necklaces and rings in the jewelry store.

The clinic and the restaurant are on the second floor. We can see the doctor in the clinic. And we can eat in the restaurant. The post office and the cake shop are on the third floor. We can send letters in the post office. And we can buy cakes in the cake shop.

The cinema and the MTR station are on the fourth floor. We can watch movies in the cinema. And we go to MTR shops in the MTR station. I love Bella's Centre.
